SUBJECT INDEX

- Acute external otitis
 - otic powder for treatment of, 142
- Adenocarcinoma
 - polymorphous low-grade, tonsil, 297
- Adenosquamous carcinoma
 - upper aerodigestive tract, 160
- Aerodigestive tract, upper
 - adenosquamous carcinoma, 160
- Allergic rhinitis
 - variations in nasal nitric oxide in, 191
- Alloderm
 - use in canal wall down mastoidectomy, 148
- Ameloblastoma
 - malignant, 44
 - recurrent, in temporal fossa, 105
- American Cancer Society Atlas of Clinical Oncology: Cancer of the Head and Neck (book review), 325
- Amiodarone
 - thyrotoxicosis induced by, surgical management of, 358
- Amyloidosis
 - dialysis-related, external auditory canals, 374
 - nasopharyngeal, 308
- Angiofibroma
 - juvenile nasopharyngeal, laser and endoscopic surgery for, 282
- Anterior commissure
 - carcinoma, salvage supracricoid laryngectomy in, 1
- Apoptosis
 - nitric oxide and, during head and neck squamous cell cancer development, 4
- Argon plasma coagulation
 - flexible, tracheal metastatic melanoma, 253
- Aspergillus sinusitis
 - bone marrow transplant patients, CT assessment, 328
- Ataxia
 - Chiari malformation and, 99
- Atlanto-axial subluxation
 - nontraumatic, after retropharyngeal cellulitis, 60
- Atlas of Otolologic Surgery (book review), 262
- Auditory canals
 - bilateral external, primary lymphoma in, 49
 - external, dialysis-related amyloidosis, 374
- Auricularum powder
 - treatment of acute external otitis, 142
- Bacterial parotitis
 - parotid abscess and, 119
- Balance disorders
 - Chiari malformation and, 99
- Benign paroxysmal positional vertigo
 - posterior canal, bed rest position and, 263
- Bilateral neck dissection
 - blindness as complication of, 56
- Blindness
 - bilateral neck dissection and, 56
- Bone marrow
 - transplantation, patients with rhinocerebral aspergillosis, CT, 328
- Brown tumor
 - maxilla, hyperparathyroidism presenting as, 173
- Bupivacaine
 - perioperative, effectiveness in tonsillectomy patients, 76
- Canal wall down mastoidectomy
 - Alloderm use in, 148
- Cardiothoracic surgery
 - tracheotomy tube placement after, children, 337
- Cervical esophagus
 - ectopic gastric mucosa in, 181
 - office-based videoendoscopy for, 341
- Chemoradiotherapy
 - for esthesioneuroblastoma of sphenoid sinus, 287
- Chemotherapy
 - leiomyosarcoma, sinusoidal tract, 108
- Chiari malformation
 - otorhinolaryngologic manifestations of, 99
- Cisapride
 - erythromycin concurrent use, QT prolongation and Torsades de Pointes, 303
- Citric acid
 - in acidic drinks, referred otalgia and (letter), 69
- Cochlear implantation
 - support and rehabilitation by VTC, 35
- Computed tomography
 - assessment of bone marrow transplant, rhinocerebral aspergillosis, 328
- Cysts
 - cervical thymic, 256
 - ganglion, spinal anterior longitudinal ligament, 390
 - thyroglossal duct, elderly population, 17
- Dacryocystorhinostomy
 - endoscopic, sarcoidosis of the lacrimal sac, 53
 - laser, with surgical microscope, nasolacrimal duct obstruction, 272
- Dallas Rhinoplasty: Nasal Surgery by the Masters (book review), 324
- Dexamethasone
 - low-dose, for nausea and vomiting after surgery, 267
- Dizziness
 - assessment with telemedicine, 35
- Dural herniations
 - neglected chronic otitis media, 203
- Dysphagia
 - in myasthenia gravis, 169
- Ectopic gastric mucosa
 - in cervical esophagus, 181
- Ectopic lingual thyroid
 - follicular adenoma, massive bleeding from, pregnancy, 185
- Editorials, 317

- Elderly patients
thyroglossal duct cysts in, 17
Emergencies of the Head and Neck (book review), 324
- Emphysema
massive subcutaneous, after percutaneous tracheostomy, 300
- Encephaloceles
neglected chronic otitis media, 203
- Endolaryngeal microsurgery
carbon dioxide laser, 290
- Endoscopy
endonasal treatment, medial orbital wall fracture, 312
for juvenile nasopharyngeal angiofibroma, 282
telemedicine in, 35
- Epiglottitis
leech in, 91
tuberculosis, atypical isolated, 237
- Erythromycin
cisapride concurrent use, QT prolongation and Torsades de Pointes, 303
- Esthesioneuroblastoma
sphenoid sinus, chemoradiotherapy for, 287
- Facial paralysis
Lyme borreliosis and, risk factors and outcome, 125
- Fat injection
autologous, leakage around tracheoesophageal puncture, 345
- Fibrin glue
reinforced closure of pharyngocutaneous fistulization, after laryngectomy, 368
- Follicular dendritic cell tumor
clinicopathologic features, 93
- Foreign bodies
metallic, in paranasal sinuses, war wounds, 27
triple-barbed fishhook, hypopharynx, removal with microlaryngoscopy, 233
- Ganglion cyst
spinal anterior longitudinal ligament, presenting as retropharyngeal mass, 390
- Gastroesophageal reflux (GER)
role in laryngeal carcinoma, 351
sleep disturbances and, in chronic laryngitis, 20
- Grafting material
Alloderm, in canal wall down mastoidectomy, 148
- Grisel's syndrome
after retropharyngeal cellulitis, 60
- Headache and Facial pain* (book review), 67
- Head and neck cancer
adenosquamous carcinoma, upper aerodigestive tract, 160
color duplex sonography, post-therapeutic evaluation, 153
follicular dendritic cell tumor, 93
Hodgkin's disease, HIV-infected patients, 12
radiation therapy, change in olfaction after, 209
re-irradiation for, complications after, 215
sarcoidosis, lacrimal sac, 53
squamous cell
association with thyroid cancer, 228
nitric oxide and apoptosis during development of, 4
- Head trauma
paranasal sinuses, foreign bodies found in, 27
- Hearing loss
consultation, telemedicine in, 35
neonates, risk factors for, 133
- Hemodialysis
amyloidosis related to, external auditory canals, 374
- Histiocytoma
malignant fibrous, larynx, postirradiation, 293
- Hodgkin's disease
head and neck, HIV-infected patients, 12
- Human immunodeficiency virus (HIV)
Hodgkin's disease in, head and neck, 12
- Hydroxyapatite prostheses
with interposed cartilage, ossicular reconstruction with, 222
- Hyperparathyroidism
parathyroid and papillary thyroid cancer in, 382
presenting as brown tumor, maxilla, 173
- Hypopharynx
office-based videoendoscopy for, 341
triple-barbed fishhook in, removal with microlaryngoscopy, 233
- Infant
recurrent melanotic neuroectodermal tumor, 249
- Inflammatory myofibroblastic tumor
tracheal obstruction with, in pregnancy, 362
- Interactive videoteleconferencing (VTC)
in otolaryngology, 35
- Juvenile nasopharyngeal angiofibroma
endoscopic and laser surgery for, 282
- Kuttner tumor
chronic sclerosing sialadenitis, 394
- Lacrimal sac
isolated sarcoidosis, without systemic manifestations, 53
- Langerhans' cell histiocytosis
temporal bone and skull base, 246
- Laryngeal cancer
near-total laryngectomy, oncologic effectiveness, 196
role of gastroesophageal reflux in, 351
- Laryngectomy
near-total, oncologic effectiveness, 196
pharyngocutaneous fistulization after, fibrin glue-reinforced closure of, 368
total, early oral feeding after, 277
- Laryngitis
chronic, sleep disturbances and GER in, 26
- Laryngomalacia
adult, 386
causing sleep apnea, in osteogenesis imperfecta patient, 378
- Larynx
malignant fibrous histiocytoma, postirradiation, 293
solitary plasmacytosis, in Non-Hodgkin's lymphoma patient, 316

- Laser**
carbon dioxide, endolaryngeal microsurgery, 290
dacryocystorhinostomy, with surgical microscope, nasolacrimal duct obstruction, 272
surgery, for juvenile nasopharyngeal angiofibroma, 282
- Leiomyosarcoma**
sinusoidal tract, 108
- Lyme borreliosis**
facial paralysis and, risk factors and outcome, 125
- Lymphoma**
primary, bilateral external auditory canals, 49
- Mandible**
malignant ameloblastoma, 44
- Mastoidectomy**
canal wall down, AlloDerm use in, 148
- Maxilla**
brown tumor, hyperparathyroidism presenting as, 173
malignant ameloblastoma, 44
- Medial orbital wall fracture**
endoscopic treatment, via rotational repositioning, 312
- Melanoma**
mucosal, sinonasal tract, 321
- Melanotic neuroectodermal tumor**
recurrent, infant, 249
- Metastatic melanoma**
obstructive tracheal, flexible argon plasma coagulation for, 253
- Microlaryngoscopy**
removal of triple-barbed fishhook, hypopharynx, 233
- Microsurgery**
endolaryngeal, carbon dioxide laser, 290
- Mucosal melanoma**
sinonasal tract, 321
- Myasthenia gravis**
otolaryngologist's perspective, 169
- Nasal obstruction**
chronic, due to turbinate enlargement, submucosal diathermy in, 332
- Nasolacrimal duct**
obstruction, laser dacryocystorhinostomy and surgical microscope, 272
- Nasolaryngoscopy**
telemedicine in, 35
- Nasopharyngeal cancer**
radiotherapy for, change in olfaction after, 209
- Nasopharynx**
amyloidosis in, 308
- Nausea and vomiting**
after tympanomastoid surgery, low-dose dexamethasone for, 267
- Neck**
bilateral dissection, blindness as complication of, 56
dissection, before radiation, squamous cell carcinoma, tongue base, 138
ectopic thymic cyst, 256
post-therapeutic evaluation, color duplex sonography in, 153
- Neonates**
hearing loss, risk factors for, 133
- Neuroectodermal tumor**
recurrent melanotic, infant, 249
- Nitric oxide**
apoptosis and, during head and neck squamous cell cancer development, 4
nasal, variations in, allergic rhinitis, 191
- Nocturnal reflux**
sleep-related respiratory disorders and, relation to chronic laryngitis, 20
- Non-Hodgkin's lymphoma**
solitary plasmacytosis and, larynx, 316
- Nystagmus**
Chiari malformation and, 99
- Odontogenic tumors**
malignant, 44
- Olfaction**
change in, after radiotherapy for cancer, 209
- Ossicular reconstruction**
hydroxyapatite prostheses, with interposed cartilage, 222
- Osteogenesis imperfecta**
sleep apnea in, caused by laryngomalacia, 378
- Otalgia**
manifestations of subdural hematoma, 177
referred, acidic drinks and (letter), 69
- Otic powder**
treatment of acute external otitis, 142
- Otitis**
acute external, otic powder for treatment of, 142
- Otitis media**
chronic, neglected, dural herniations and encephaloceles in, 203
upper respiratory infections as cause of, 70
- Otolaryngology**
telemedicine in, 35
- Otologic Surgery, 2nd edition** (book review), 262
- Otoscopy**
telemedicine in, 35
- Outcome**
Lyme borreliosis, facial paralysis and, 125
tracheotomy tube placement, after cardiothoracic surgery, children, 337
- Palliative treatment**
flexible argon plasma coagulation, endotracheal and endobronchial lesions, 253
- Paranasal sinuses**
leiomyosarcoma of, 108
metallic foreign bodies in, war wounds, 27
- Parathyroid carcinoma**
synchronous, hyperparathyroid patient, 382
- Parotid abscess**
with parotid masses, *Salmonella enteritidis* and, 119
- Parotid gland**
masses, abscess in, *Salmonella enteritidis*, 119
- Pediatrics**
cardiothoracic surgery, tracheotomy tube placement after, 337
hearing loss, risk factors for neonates, 133
recurrent melanotic neuroectodermal tumor, infant, 249
- Petrous apex lesions**
osseous sarcoidosis presenting as, 241

- Pharyngocutaneous fistula
 after laryngectomy, fibrin glue-reinforced closure of, 368
 after total laryngectomy, oral feeding and, 277
- Plasmacytoma
 subglottic, 112
- Plasmacytosis
 solitary, larynx, in Non-Hodgkin's lymphoma patient, 316
- Pneumonia
 upper respiratory infections as cause of, 70
- Pregnancy
 ectopic lingual thyroid, follicular adenoma in, 185
 tracheal obstruction, inflammatory myofibroblastic tumor, 362
- Prostheses
 hydroxyapatite, for ossicular reconstruction, 222
 voice, autologous fat injection for leakage, 345
- QT interval
 prolongation, Torsades de Pointes and, cisapride and erythromycin concurrent use, 303
- Radiation therapy
 leiomyosarcoma, sinusoidal tract, 108
 malignant fibrous histiocytoma after, larynx, 293
 nasopharyngeal cancer, change in olfaction after, 209
 neck dissection before, squamous cell carcinoma, tongue base, 138
 re-irradiation, head and neck cancer, complications after, 215
- Reinke's edema
 risk factors and, 81
- Respiratory syncytial virus
 experimental, nasal and otologic effects, 70
- Restitutive Surgery of the Ear and Temporal Bone* (book review), 122
- Retropharyngeal cellulitis
 nontraumatic atlanto-axial subluxation after, 60
- Rhinocerebral aspergillosis
 bone marrow transplant in, CT assessment, 328
- Risk factors
 hearing loss in neonates, 133
 Lyme borreliosis, facial paralysis and, 125
 Reinke's edema, 81
- Rotational repositioning techniques
 medial orbital wall fracture, endoscopic treatment, 312
- Salivary gland
 chronic sclerosing sialadenitis, 394
- Salmonella enteritidis*
 parotid abscess caused by, 119
- Sarcoidosis
 isolated, lacrimal sac, 53
 osseous, presenting as a destructive petrous apex lesion, 241
- Sclerosing sialadenitis
 chronic, Kuttner tumor, 394
- Semicircular canal
 posterior, benign paroxysmal positional vertigo, 263
- Septoplasty
 long-term evaluation of results, 85
- Sinonasal tract
 mucosal melanoma, 321
- Sinusitis
 upper respiratory infections as cause of, 70
- Skull base
 temporal bone and, Langerhans' cell histiocytosis, 246
- Sleep apnea
 caused by laryngomalacia, in osteogenesis imperfecta patient, 378
- Sleep disturbances
 reflux and, in chronic laryngitis, 20
- Smoking
 Reinke's edema and, 81
- Speech disorders
 in myasthenia gravis, 169
- Speech pathology
 remote-based, telemedicine, 35
- Sphenoid sinus
 esthesioneuroblastoma, chemoradiotherapy for, 287
- Spinal anterior longitudinal ligament
 ganglion cyst of, presenting as retropharyngeal mass, 390
- Squamous cell carcinoma
 head and neck
 association with thyroid cancer, 228
 nitric oxide and apoptosis in, 4
 larynx, gastroesophageal reflux (GER) role in, 351
 tongue base, neck dissection before radiation, 138
- Subdural hematoma
 otalgia as sole presenting manifestation of, 177
- Subglottic plasmacytoma, 112
- Submucosal diathermy
 effects in nasal obstruction, turbinate enlargement, 332
- Supine position
 bed rest, posterior canal benign paroxysmal positional vertigo, 263
- Supracricoid laryngectomy
 salvage, role in anterior commissure carcinoma, 1
- Surgery
 adult laryngomalacia, 386
 bilateral radical neck dissection, blindness and, 56
 canal wall down mastoidectomy, Alloderm use in, 148
 cervical thymic cyst, 256
 chronic otitis media, neglected, dural herniations and encephaloceles in, 203
 ectopic lingual thyroid, follicular adenoma in, pregnancy, 185
 endoscopic and laser, for juvenile nasopharyngeal angiofibroma, 282
 follicular dendritic cell tumor, 93
 inflammatory myofibroblastic tumor, causing tracheal obstruction, in pregnancy, 362
 Langerhans' cell histiocytosis, temporal bone and skull base, 246
 laryngectomy, pharyngocutaneous fistulization after, fibrin glue closure of, 368
 laryngomalacia, causing sleep apnea, in osteogenesis imperfecta, 378
 laser dacryocystorhinostomy, surgical microscope and, 272
 leiomyosarcoma, sinusoidal tract, 108
 medial orbital wall fracture, endoscopic treatment, 312
 microlaryngoscopy, removal of triple-barbed fishhook from hypopharynx, 233
 near-total laryngectomy, oncologic effectiveness, 196

- neck dissection, before radiation, squamous cell carcinoma, tongue base, 138
- ossicular reconstruction, hydroxyapatite prostheses with interposed cartilage, 222
- percutaneous tracheostomy, massive subcutaneous emphysema after, 300
- recurrent ameloblastoma, temporal fossa, 105
- salvage supracricoid laryngectomy, anterior commissure carcinoma, 1
- septoplasty, long-term evaluation, 85
- submucosal diathermy, nasal obstruction from turbinate enlargement, 332
- thyrotoxicosis, amiodarone-induced, 358
- tonsillectomy, local bupivacaine use in, 76
- total laryngectomy, early oral feeding after, 277
- tracheoesophageal puncture, autologous fat injection for leakage around, 345
- tracheotomy tube placement, after cardiothoracic surgery, children, 337
- tympanomastoid, nausea and vomiting after, low-dose dexamethasone for, 267
- Surgical microscope
 - laser dacryocystorhinostomy with, nasolacrimal duct obstruction, 272
- Surgical Pathology of the Head and Neck*, ed. 2 (book review), 66
- Surgical Reconstruction of the Face and Anterior Skull Base* (book review), 122
- Surgical Solutions for Conductive Hearing Loss* (book review), 66
- Telemedicine
 - in otolaryngology, 35
- Telesurgery
 - in otolaryngology, 35
- Temporal bone
 - petrous apex lesion, osseous sarcoidosis presenting as, 241
 - skull base and, Langerhans' cell histiocytosis, 246
- Temporal fossa
 - recurrent ameloblastoma in, 105
- Thymic cyst
 - cervical, 256
- Thyroglossal duct
 - cysts, elderly population, 17
- Thyroid
 - ectopic lingual, follicular adenoma, pregnancy, 185
- Thyroid cancer
 - association with squamous cell carcinoma, head and neck, 228
 - papillary, hyperparathyroid patient, 382
- Thyrotoxicosis
 - amiodarone-induced, surgical management of, 358
- Tongue base
 - squamous cell carcinoma, neck dissection before radiation, 138
- Tonsil
 - polymorphous low-grade adenocarcinoma, 297
- Tonsillectomy
 - local bupivacaine in, 76
- Torsades de Pointes
 - QT prolongation and, cisapride and erythromycin concurrent use, 303
- Trachea
 - obstruction, inflammatory myofibroblastic tumor, in pregnancy, 362
 - obstructive metastatic melanoma, flexible argon plasma coagulation in, 253
- Tracheoesophageal puncture
 - leakage around, autologous fat injection for, 345
- Tracheostomy
 - percutaneous, massive subcutaneous emphysema after, 300
- Tracheotomy tube
 - placement, after cardiothoracic surgery, children, 337
- Tuberculosis
 - epiglottic, atypical isolated, 237
- Turbinate enlargement
 - chronic nasal obstruction due to, submucosal diathermy in, 332
- Tympanomastoid surgery
 - nausea and vomiting after, low-dose dexamethasone for, 267
- Ultrasonography
 - color duplex, post-therapeutic neck evaluation, 153
- Vertigo
 - benign paroxysmal positional, bed rest position effects, 263
 - Chiari malformation and, 99
- Videoendoscopy
 - office-based, hypopharynx and cervical esophagus, 341
- Vocal abuse
 - Reinke's edema and, 81
- War wounds
 - paranasal sinuses, caused by metallic foreign bodies, 27
